

2015 EDSIG / CONISAR Conferences

Wilmington NC, November 1 to 4, 2015

*Two conferences for Information Systems and Computing Educators and
Information System Applied Researchers*

2 great conferences to reach IS and CIS educators and researchers!

Sponsors / Exhibitors Information

Want to Reach Top IS/IT Educators, Researchers and Institutions?

Your organization should not miss this opportunity to be a part of two conferences (**EDSIG and CONISAR 2015**) that focus on academic professionals interested in IS/CIS education and IS applied research. EDSIG is the Educators Special Interest Group for the Association of Information Technology Professionals. Both events will be held Nov 1-4, 2015 in Wilmington, North Carolina.

EDSIG topics include model curricula, best practices, pedagogy, program accreditation, and keeping up with technological changes. EDSIG attendees are interested in teaching and improving their teaching acumen, while our CONISAR presenters take the academic theory and investigate how that theory intersects the real world. In just one trip, your organization can reach over 150 of the nation's top IS/CIS educators and their institutions to showcase your latest instructional materials, books and resources.
