Call for Papers, Panels and Workshops
for the CONISAR 2013 Conference
and JISAR Journal

***Join us in San Antonio, TX for
CONISAR: November 7 – 10***

More details: http://www.conisar.org

Join us for the 6th Annual Conference on Information Systems Applied Research (CONISAR). This conference focuses on research dealing with real-world practical applications of information sciences, systems, and technology. It will provide a valuable forum for both researchers and practitioners. **CONISAR** is the sponsor of **JISAR***, a peer-reviewed journal.

Authors may submit their manuscripts to both CONISAR and JISAR when submitting to the conference. We are planning a mixture of site-seeing activities as well as academic papers and hope you can join us.

CONISAR 2013 invites papers, cases, panels, and abstracts on:

• Applied IS Research & Methodologies
• Business Intelligence / Big Data
• Cloud Computing
• Database Management & Warehousing
• Digital and Multimedia Technologies
• ERP/Business Processes/Supply Chain

• IT Management and Strategy
• Project Management
• Security/Networks/Telecommunications
• Systems Development / Software Eng.
• Web Applications / Web 2.0

Submission Deadlines

June 1, 2013   *includes consideration for best paper awards, consideration for proceedings publication and potential inclusion in JISAR (Journal of Information Systems Applied Research, a peer-reviewed journal)*

July 1, 2013   *includes consideration for proceedings publication and consideration for inclusion in JISAR. Final date for panel and workshop proposals.*

August 1, 2013   *final date for paper and case proposals - includes consideration for proceedings publication*
